

STAR Commuters Get the Commute Tracker Mobile App

(powered by RideAmigos)

Log your commutes, discover rewards, and track your progress with Commute Tracker.

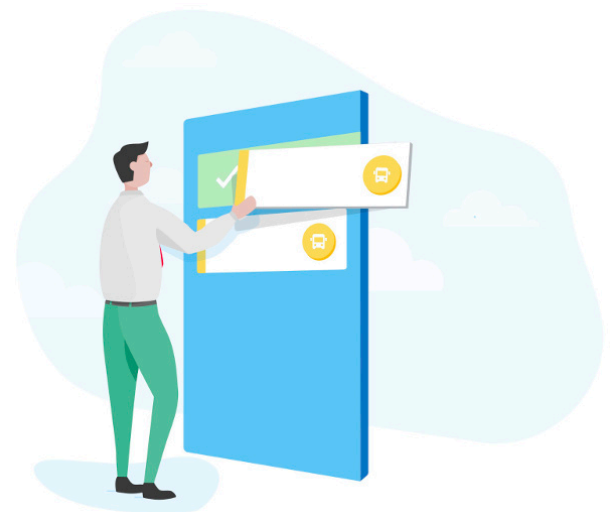

Available in the App Store and Google Play.

The Commute Tracker app for **STAR** users tracks and logs your commute trips to unlock rewards and incentives on the go!

To get started, just install the app. Then follow the simple steps to sign up, and connect to Commute.org's network.

Now you are ready to control your commute, and follow your progress toward great rewards!

For more help using Commute Tracker, check out commute.org or contact us at support@commute.org
