These employers are changing how America commutes

Staying Green: Best Workplace for Commuters Ten Years in a Row

EDMONDS, WA, January 31, 2018 – Landau Associates has been named one of the **Best Workplaces for Commuters**™ in 2018 for offering exceptional employer-provided commuter benefits that meet the National Standard of Excellence criteria. They have office locations in Edmonds, Seattle, Tacoma, Olympia, Spokane, and Portland.

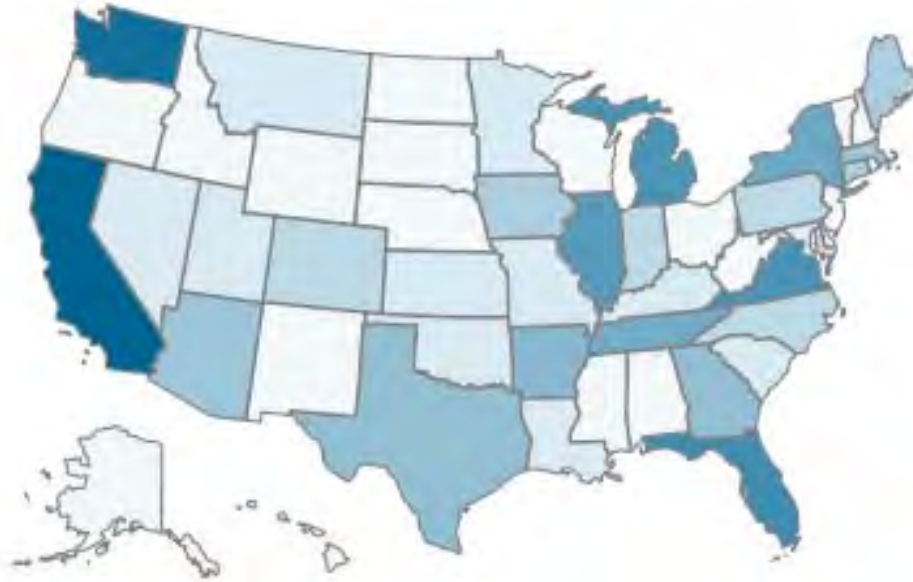

Landau Associates is among a select group of workplaces in the United States that has provided a commuter benefits package that results in at least 14 percent of their employees not driving alone to work within a 12-month period.

Dan Rivole crosses Monterey St. in San Luis Obispo. Five San Luis Obispo County employers have received a national designation of best workplaces for commuters based on benefits that include subsidizing bus fares, carpooling programs and access to an Emergency Ride Home program, which offers workers who would normally bike, carpool or use public transit access to a free or low-cost ride home in cases of emergency. *Jason Melton - The Tribune*
