How will I get home?

GRH program participants decide how to get home (e.g. taxi, ride-hailing app, transit, or combination). If you choose public transit to get home, Commute.org will give you a \$5 e-Card as a bonus.

Additional requirements?

Participants are required to complete a GRH application. The GRH application will open when a GRH point is redeemed in [STAR](#). You may upload your trip receipt(s) to your GRH Application Form on STAR; otherwise, an email will be sent with instructions to submit trip receipt(s) via email to complete the GRH reimbursement request.

The commute trip logged in STAR on the morning of GRH trip must match GRH application.
