

## Commute.org and Caltrain Go Pass Program

Welcome!

Here is your new Clipper Card. It is loaded with an annual Caltrain pass known as the Go Pass. You are now eligible for free unlimited rides on Caltrain through December 31, 2023. Here's a quick overview of riding Caltrain and using your Clipper Card:

### TAG ON AND OFF ON EVERY RIDE TO VALIDATE

On every Caltrain Ride:

- Before boarding, tag on by holding your card flat against the Clipper card reader (you'll hear a beep and see green or yellow lights)
- Ride the train
- After you get off the train, tag off at a Clipper card reader on the station platform.

For your Go Pass to be valid each time you ride, **you must tag your Clipper Card on/off for each trip.** Otherwise, a Caltrain conductor can check your card and issue a **\$75 fine.**

NOTE: If lost or stolen, Clipper Cards in this Go Pass Program CANNOT be replaced.

- To get to Caltrain, Commute.org provides free Caltrain shuttles. See: [www.commute.org/shuttles](http://www.commute.org/shuttles)
- To ride any other transit provider in the Bay Area (i.e. Samtrans, VTA, BART, or Muni), you may add cash value to your special Clipper Card at Caltrain ticket vending machines or at the
