

## 2024 Commuter Challenge Promotional Rules

The 2024 Commuter Challenge is open to individuals aged 18 and above who commute to, from, or through San Mateo County and are committed to embracing an alternative mode of commuting, such as carpooling, vanpooling, utilizing public transit, shuttles, ferries, biking, walking, or telecommuting, throughout the months of April and May 2024.

Participants who successfully complete a pledge form, expressing their commitment to utilizing an alternative commute method instead of driving alone, stand a chance to win one of five **\$250 e-gift cards**. Pledge submissions must be made before May 31, 2024. Furthermore, pledgers have the opportunity to create a STAR account, allowing them to track their commute trips and enter into weekly prize drawings held during April and May 2024.

Winners will be notified through the email address provided on the Pledge form or via the my.commute.org system for weekly prize winners. If a selected winner cannot be contacted within five (5) business days after the initial contact attempt or is disqualified for any reason, Commute.org reserves the right to randomly select an alternate winner from the remaining eligible entries.

Participants' email addresses will be included in the Commute.org electronic newsletter distribution list. Additionally, these email addresses may be used to invite participants to complete a post-campaign online survey.

For any inquiries, feel free to contact Commute.org via email at [support@commute.org](mailto:support@commute.org) or by calling (650) 588-8170.
